Dear Parents / Guardians:

As the seasons have changed and with the weather becoming increasingly colder, we have observed and been concerned about the number of students who have been arriving at school not dressed appropriately for the weather.

It is extremely important that all children wear warm sweaters, jackets, and/or coats to school on a daily basis. Our students will spend their recess time outdoors. The only exceptions will be days that are rainy, snowy and icy or have sub freezing temperatures. We feel that it is important for the students to get fresh air and activity on a daily basis. In order for a child to participate in outdoor recess, it is important that he/she be dressed properly for the weather.

We ask your cooperation in reminding your children to wear warm outer clothing to school and to wear it outdoors at recess as well.

As always, if you have any questions or concerns kindly contact me or the physical education teachers.

Sincerely,

Jennifer Carere
Principal
