September 11, 2017

Dear Parent/Guardians:

I cordially invite you to meet your child's teacher the evening of **Tuesday, September 19, 2017**. This early orientation will be a time for you to learn about the program of instruction and special activities that will take place during the school year. Children should not be in attendance on this night. Please refer to the schedule below that lists the specific times for all of our teachers.

While at this meeting, please feel free to schedule an appointment with the teacher if you have any specific questions related to your child. You will also have an opportunity to sign up for our upcoming parent/teacher conferences that are scheduled for Friday, December 8th.

Our extremely dedicated PTA will also be present that night to answer any questions you may have. They will have a membership table set up in our lobby and will also be serving refreshments in the cafeteria.

If you have any questions at all, please feel free to contact me at the above phone number. I look forward to seeing you on September 19th.

Sincerely,

Charles J. Germano
 Tooker Avenue Principal
