Dear Parents / Guardians:

As you know, our PTA class parents are in the process of shopping for the Halloween parties to be held on Wednesday, October 31st. They will be introducing healthier choices with the celebrations. The class parents will be providing fewer sweet treats and healthier alternatives. Portion control is very important.

Please do not send any food or drink items to the classroom for Halloween. This is the responsibility of the class parents. If you do wish to send in something for the students, it should be a take home goody bag (without any food items at all).

Halloween can be a happy, exciting and healthy time for the children. Moderation is the key.

Sincerely,

Jennifer Carere
Principal
