Dear Parents / Guardians:

We recently held a Field Day Planning meeting in preparation for these special events. We met to address safety concerns about Field Day and how we address security needs, and the ability of parents and children to view the events. These plans have been implemented during previous Field Days. Field Day will take place over three days:

- \* Grades K & 1 - Tuesday, June 4<sup>th</sup> at 9:15am
- \* Grades 2 & 3 - Wednesday, June 5<sup>th</sup> at 9:15am
- \* Grades 4 & 5 - Thursday, June 6<sup>th</sup> at 9:15am

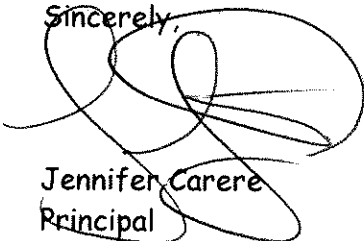

Rain Dates - June 11<sup>th</sup> for K & 1; June 12<sup>th</sup> for 2 & 3; June 13<sup>th</sup> for 4 & 5.

Each grade level will be split into two teams, a blue team and a gold team. Each team will be on their own long side of the field. In addition, our class parents will assist at Field Day activities. Each child will receive a participation ribbon at the end of the school day.

Parents may not give their child, or any other child, food or refreshments to eat. The children are participating in physical activities and could become ill or choke. Some children may be allergic to these treats.

We recommend that you send a container of cold drinks with your child (Gatorade, juice, or water). Please do not send bottles or cans of soda. Parents / Guardians are invited and welcome. Please enter through the field area.

Sincerely,

Jennifer Carere  
Principal
