To Ms. Jennifer Carere,

As I am sure you are aware, the COVID-19 pandemic has forced many of us to make some unexpected and difficult changes to our usual norms of business.

Unfortunately, we inform you that our Department will not be able to conduct our usual School Fire Prevention visits this year. We made this decision in order to do what is best for the health and safety of the students, faculty, and staff in the West Babylon School District.

Nevertheless, we will still continue with our Fire Department Open House on Friday, October 23rd from 6pm to 9pm at our Headquarters on 126 Arnold Ave, West Babylon NY. We will also still continue with our usual "Fire Prevention Poster Contest" as we have done in previous years. Students from the school are encouraged to participate as we do award prizes for the top posters from each school.

Thank you as always for your continued support.

Respectfully submitted,

Chief Robert Sullo
