

# Red Ribbon Week

## October 19-23, 2020

Red Ribbon Week is a national campaign held each year to raise awareness about drug prevention in our community. In an effort to include our children in the fight against drugs, the JFK PTA will be coordinating a week of fun activities to help celebrate this worthy cause.

On Monday, October 19, 2020, at 10:00 AM, a special announcement will be made and the students will take a pledge to remain healthy and drug-free. JFK staff and students will join in the fight against drugs. Please have your child wear **RED** to school on this day to support this worthy cause.

Throughout the week, the school will be decorated. Mrs. Van Liew will be emailing a Red Ribbon Pledge to students, and request to have a photo of their child holding their red ribbon returned via email to us by Monday, October, 19, 2020. This year, the committee will be creating a slideshow of all of the photos of the students with their red ribbon submitted. There will be different daily themes and the students will receive daily reminders about the importance of living a healthy life. Please help make the week a success by having your child follow the “dress-code” for each day:
