

Red Ribbon Week

October 19-23, 2020

Dear JFK Teachers,

Red Ribbon Week is a national campaign held each year to raise awareness about drug prevention in our community. In an effort to include our children in the fight against drugs, the JFK PTA will be coordinating a week of fun activities to help celebrate this worthy cause.

On Wednesday, October, 14, 2020, Mrs. Van Liew will be emailing Red Ribbon Pledge to students, and request to have them returned via email to us by Monday, October, 19, 2020. This year, the committee will be creating a slideshow of all of the photos of the students with their red ribbon that were submitted. We thought you could share the slideshow with the students on Friday, October 23rd.

The week of activities will officially begin on Monday, October, 19, 2020, at 10:00 AM with a special announcement that will be made and the students will take a pledge to remain healthy and drug-free. JFK staff and students will join in the fight against drugs. Everyone is encouraged to wear **RED** on this day to support this worthy cause. Please remind the students the Friday before.

Throughout the week, the school will be decorated. There will be different daily themes and this year, there will be no giveaways.
