1. OPENING OF MEETING & EXECUTIVE SESSION-6:03 PM

Procedural: A. Pledge of Allegiance to the Flag

Procedural: B. Call to Order by Presiding Officer

Recognition: C. School Board Recognition Week - October 17, 2022 - October 21, 2022

Dr. Farrelly welcomed all to the School Board Recognition celebration and to the meeting. She remarked that school board members are elected by their fellow community members to represent their values, views and desires for the public schools in their district. They establish the vision and goals for the public schools in their district, and they set standards for the performance of schools and expectations of their superintendent/ CEO. Decisions are made as a board - regarding goals, vision, proposed budget, bond, policies and regulations, curriculum, finances etc. Behind the scenes they review and reach out re: countless reports, proposed agendas and associated documents and countless email updates from me. That is just the paperwork portion, what we don't see is how much time goes into important decisions, how they worry when confidential information is shared regarding a student or employee, how they consider the financial impact of decisions on our residents, how they carefully balance needs and wants in a school district, how they give up family time to support WB students and staff. She continued to say that the district is truly fortunate to have trustees who not only go above and beyond... but also genuinely care about every aspect of our schools - curriculum, instruction, finances, student services, professional development, employee supports, music, art, athletics, co-curricular, security, technology etc. Dr. Farrelly concluded by thanking the Board for their time and dedication; for working together as a Board to make informed decisions. Lastly, thanking the Board's families - for allowing them to be away to do this important work.

Dr. Farrelly indicated that each of the trustee's would be receiving Certificates of Appreciation on behalf of Western Suffolk BOCES, a certificate was also presented from the School Boards Association to Christopher Paolillo for Leadership Development. Representative Edward Wiggins congratulated the Board on behalf of Senator Phil Boyle and Presiding Officer Kevin McCaffrey, he also presented Proclamations and certificates on behalf of the New York State Senate and Suffolk County. Presiding Officer Kevin McCaffrey sent his regrets for not being able to attend the celebration and extended his congratulations and thanked the Board for all they do for the community and especially the students.

Councilman Antonio Martinez came in on behalf of the Tax Receiver, Jennifer Montiglio, Supervisor Rich Schaffer and the Town of Babylon to congratulate the Board for their amazing job during the pandemic, he also presented a Proclamation on behalf of the Supervisor and the Town Board with much gratitude.

Mr. Stephen O'Leary, President of the WBAA, and Mr. Dan Royle, President of the WBTA, both extended their appreciation and congratulations to the Board of Education on their commitment to the West Babylon School District.

Mr. William Doran, SHS Music Chairperson, thanked the Board of Education for their support of the music department. Mr. Doran introduced three SHS students, Matthew Gennings, 10th Grade, Matthew Cella (11th Grade) and Vincent Nazaro, 12th grade, who performed musical pieces. Mr. Christopher Patruno, SHS Orchestra Director, was also in attendance.

Mrs. Jennifer Carere, Santapogue Elementary Principal, introduced a group of 5th Grade students that are part of 2 book clubs which is part of their curriculum: Riley Hoffman, Alannah Desert, Alannah Ahern, Nylah Gibbs, Emily Nache, Zoey Nadworny, Giana Maldonado and Briannie Santos-Yanes. Each student briefly discussed their experience and their love of the book clubs they are part of. Mrs. Carere thanked Ms. Jennifer Sagginario who is their Reading teacher. Mrs. Jennifer Hoffman, Director of Humanities was also present.

Dr. Farrelly pointed out the SHS artwork display board provided by Mrs. Erin Bodolai, SHS Art Chairperson. She thanked Ms. Bodolai and the SHS art students.

Mr. Michael Rosenberger, President of the PTA Council, also extended his appreciation and congratulations to the Board. Dr. Farrelly thanked the PTA Associations for catering dinner and desserts for the Board.

- Thursday, October 27 is the Annual SADD Halloween Party.
- West Babylon School district is proposing a bond referendum to the WB community on Tuesday Dec. 6th to address the following facilities needs:
- SHS Roof Construction, South Bay Elementary School Water Service Lines and Boiler Condensate Tank, South Bay sitework driveway, reconstruction and upgraded draining. The total cost of this project is 9.7 million. After reimbursement, the cost of the bond is approximately 4.3 million dollars. Dr. Farrelly emphasized that with state building aid close to 65% for the school district and the retirement of old school district debt, it is anticipated there will be NO additional cost to taxpayers for this project. The project cost would be neutral to the taxpayers. For additional details regarding this proposed project, she extended an invitation for anyone to join one of the upcoming BOND presentations - scheduled for October 26th at 6:00 pm at South Bay, November 9th during our BOE meeting, November 29th at the SHS.

13. OLD BUSINESS (N/A)

14. NEW BUSINESS

Discussion: A. Discussion: Public Officers Law 103-a (Video Conferencing) - Bill Morrell, Esq.

During New Business, it was discussed if the Board would like to establish and adopt a resolution that allows for a Board member to participate virtually/ remotely in Board Meetings in accordance with the law? Discussion was held and no resolution is required as the Board mutually agreed not to participate virtually during Board Meetings.

Discussion: B. Discussion: 9/11 Observance Day - Dr. Yiendhy Farrelly

Dr. Farrelly explained the process thoroughly to create the WB school year calendar. As such, the Board asked to consider the impact of possibly having 9/11 off as a remembrance day. Dr. Farrelly has reviewed the Board's request and has also raised the topic in various committees and team meetings for input:

- All understood and appreciated the conversation of having 9/11 as a day off -
- Adding a 9/11 closed observance day would mean we would need to adjust our designated snow days from 3 days to 2 days (depending on the year).
 - If we need to utilize a 3rd snow day we would need to open for one day during the spring recess week (depending on the year). Thus creating a one-day week - with significant attendance issues - from student and employee side (additional coverage...).
- Adding 9/11 would cause another inconsistent day between WB, WSB districts, and WS BOCES programs. Transportation would need to be addressed.
- The overall general feeling expressed during multiple different meetings - was that although understood and appreciated - adding another day off into September would add to the inconsistency of the first month of school. It was noted we are already off for several days for various religious observance days in September.
- The committees noted a preference to maintain the day as an open day so they can continue to observe the day with students - discuss/ remember everyone who we lost and honor the brave NYPD/FD who we lost --- on the actual 9/11 day -

A discussion was held amongst the Board members on this topic and it was requested that Dr. Farrelly gather and share with the Board the contractual, transportation aspect and how it will impact the District. The information will be made available to the Board. No decision was made at this time.
