September 11, 2012	<p>Re: Boys Varsity Soccer Team</p> <p>1. The Varsity team did not have game balls.</p>	<p>Per Mr. Anthony Spinelli, Director of Health, Physical Education & Athletics:</p> <p>1. An order is being placed on 9/12/12 for four game balls. These are scheduled to arrive ASAP. Game balls will be available for Friday's game (9/14/12).</p>
	<p>2. The Varsity team does not have use of a field for Friday's game (9/14/12).</p>	<p>2a. As part of our long range field renovation program to improve the quality of the fields, our children play on, fields need to be closed for reconditioning purposes and to allow the turf to develop. We have worked out a tentative multi-year approach which impacts different teams at different times and will eventually allow all teams the fortitude to play on a good field.</p> <p>2b. In response to the closing of one field at the high school, we have set up a practice field at Tooker Avenue School and carefully arranged all games for the high school boys and girls program to avoid conflicts. In the event of inclement weather forcing us to play on the next available day, we are prepared to utilize the field inside the track, located at the Junior High School, as a back up.</p> <p>2c. Games will be played at either the High School or the turf field at Our Lady of Grace.</p> <p>2d. Specifically, this Friday's game (9/14/12) will be played at the High School.</p>
